

## MICHIO CHIBA

SEPTEMBER 24 (legislative day, SEPTEMBER 19), 1951.—Ordered to be printed

Mr. McCARRAN, from the Committee on the Judiciary, submitted the following

## REPORT

[To accompany S. 2158]

The Committee on the Judiciary, to which was referred the bill (S. 2158) for the relief of Michio Chiba, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

## PURPOSE OF THE BILL

The purpose of the bill is to grant a waiver of the racial-exclusion provision of the immigration laws in behalf of Michio Chiba, who is the stepchild of a citizen of the United States. The child would be considered to be a nonquota immigrant, which is the status normally enjoyed by the alien minor children of citizens of the United States.

## STATEMENT OF FACTS

The beneficiary of the bill is a 7-year-old native and citizen of Japan and is the stepchild of Corp. Walter V. Subacz, a citizen of the United States. Corporal Subacz married the mother of the beneficiary of the bill in Japan on July 31, 1951. Mrs. Subacz is eligible for admission into the United States under the provisions of Public Law 717 of the Eighty-first Congress. The bill would permit Corporal and Mrs. Subacz to bring the child with them when they return to the United States.

Senator Alexander Wiley, the author of the bill, has submitted the following information in connection with the case:

GENERAL HEADQUARTERS, FAR EAST COMMAND,  
OFFICE OF THE COMMAND STAFF JUDGE ADVOCATE,  
8 September 1951.

HON. ALEXANDER WILEY,  
Senate Office Building, Washington, D. C.

DEAR SENATOR WILEY: Corp. Walter V. Subacz, RA-1628388, Waukesha, Wis., the son of Mrs. Jenny Subacz Kunde and William Kunde, Route 6, Box 533, Waukesha, Wis., was married on the 31st of July 1951 to Kofumi Chiba, a

Japanese national, who has one child, Michio Chiba, born 14 February 1944. Corporal Subacz would like to bring this child to the United States when he and his wife are returned under competent Army orders.

Corporal Subacz has asked me to request you to introduce a private bill in Congress for the relief of Michio Chiba, a stepchild, who is a Japanese national. Attached please find certificate of witness to marriage, issued by the Foreign Service of the United States of America, signed by Richard H. Lamb, vice consul of the United States of America for Tokyo, Japan, showing that Corporal Subacz was married to Kofumi Chiba on 31 July 1951, together with certified copy of English translation of the family register showing the birth of Kofumi, Corporal Subacz' wife, and birth of her child, Michio, who was born 14 February 1944. Enclosed for your information are letters of character reference from Capt. Clarence W. Coyne, Corporal Subacz' commanding officer, Dewey S. Johnston, first lieutenant, Quartermaster Corps; Chaplain Arden Fredine, and certificate of First Lt. T. L. Triplett, the responsible finance officer at Camp Drake, Tokyo, Japan. Medical certificate covering physical examination of the child, Michio, by a United States Army doctor, is now in process and will be forwarded to you under separate cover, as soon as received from the dispensary.

During the month of June 1951, there was a radio broadcast in connection with H. R. 2379, introduced by Congressman Walters, which would provide for a revision of the immigration and naturalization laws, and contains provision which will clear for admission under nonquota preference the stepchild of an American citizen, regardless of the child's nationality. I do not know the fate of this bill, but will appreciate your advice on the subject.

Corporal Subacz' tour of duty in the Far East will be completed during November 1951, and anything you can do to expedite the private bill will be appreciated by him. In the event the information furnished you is insufficient for the customary background report to the Immigration and Naturalization Service, please advise what is required, and same will go forward to you immediately. The medical certificate for the child will be placed in the mail as soon as possible.

Corporal Subacz and his wife have requested me to express to you their appreciation for your assistance in this matter.

Sincerely yours,

MARY C. EASTERLING,  
Attorney-Adviser.
